

INTERNATIONAL TRAVEL VACCINATIONS

Phone us for lowest price

**Registered Practice for giving International Travelling Vaccination
Licensed from Dept. of Health to issue you International Health Certificate**

1. Yellow Fever - No entry in several countries without yellow fever vaccination certificate.
[Strict Laws for many countries including Zambia, Brazil, Saudi Arabia, India etc]

2. Other vaccinations:- Typhoid, Meningitis, Polio, Pertussis, Tetanus, Measles, Mumps, Rubella, Cholera, Malaria, Hepatitis B., Influenza, etc.

Vaccination is necessary for your health due to three reasons as you travelling from one country to another country .

a) What Germs (Bacteria, Parasite & Viruses), you are carrying to your Guest country?

b) What Germs(Bacteria, Parasite & Viruses), you are bringing to your own country from visited country?

c) Your body is the host for all those Germs(Bacteria, Parasite & Viruses) during travel and produce diseases.

**Provide all Vaccinations including Travelling and General,
Medical Advice for Travelling Prophylaxis Medicine and issue of the Bar Coded
Travelling International certificate.**
